

## BOBBY TUZZIO

The Spring Lake Historical Society is happy to present one of its 2016 scholarships to Bobby Tuzzio of Ocean Avenue. He is the son of Carol and Michael Tuzzio and has one older sibling, who is still in college.

A recent graduate of St. Rose High School, Bobby has carried a heavy academic program during his high school career. He has achieved a 93.53 GPA and works diligently to excel in school. According to his history teacher, Mark Fletcher, he is well prepared for class and displays evidence of higher thinking and analysis of various classroom topics. Bobby is a natural communicator.

He is a born leader yet possesses the ability to be a good team player. He is involved in several extracurricular activities---track/cross-country, Catholic athletes for Christ, the History Club and he is a very active St. Rose Ambassador. According to his coach, Peter Casagrande, he will be successful at whatever he decides to pursue. He is well spoken; respectful of his coaches, teachers and peers. On the home front he recognizes that he has been blessed with many advantages. He recognizes that it is important to share his advantages by volunteering at the Foodbank Carnival each summer. He also has worked with Outreach, feeding the hungry in Asbury Park. Another of his passions is participating in beach sweeps and other cleanup efforts to keep our coastline beautiful.

His work history includes caddying at the Spring Lake Golf Club.

**Come mid August Bobby will pack his bags and his running shoes and head to Worcester, Massachusetts to enroll in the College of the Holy Cross and the class of 2020. As a new Crusader, he hopes to major in Economics. Ten years from now he hopes to be working in the field of finance.**

**The Spring Lake Historical Society congratulates you and wishes you well in your future endeavors.**
